Note: This guide uses version 3.6 of the OverDrive app. You must have Android version 4.0 (or newer) to install version 3.6 of the app. Older versions of Android can install older versions of the OverDrive app, though they will be different in appearance.

Opening & Signing In to OMNI

- 1) In the OverDrive App, tap the  icon in the upper-left corner and select **Online Media of Northern Illinois Libraries** from the menu. This will open the library's eBook catalog known as OMNI.
- 2) Tap the  icon, then select your home library from the drop-down menu. Enter your library card number and tap **Sign In**.

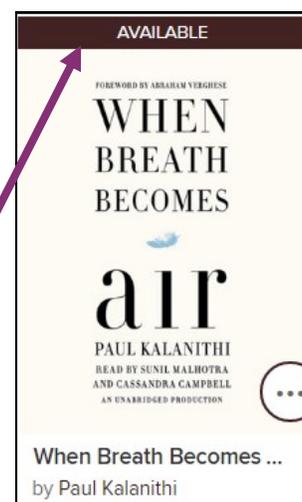

Finding Books in OMNI

Search - To search for a specific title, author, or keyword; tap **Search** at the top of the page. Enter your query and tap **Go** to see a list of books that match.

Collections - Tap the  icon in the upper-right corner of the page, then tap **Collections**. Here you can view the newest eBooks or eAudiobooks.

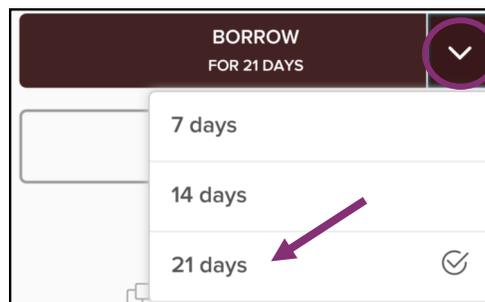

Subjects - Tap the  icon in the upper-right corner of the page, then tap **Subjects**. This will give you a list of topics to choose from. Select a topic to view a list of related books.

Availability - Look at the book you'd like to borrow, does it say **Available** across the top? If it does, this is a book that can be checked out today. If it says **Wait List**, all copies of the book are checked out and you will need to place a hold.

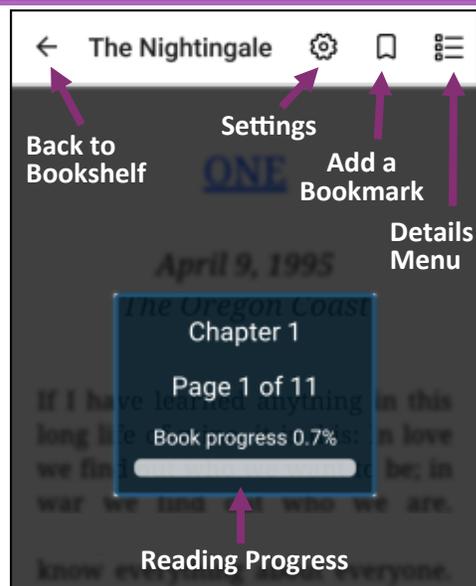

Checking Out Books and Adding them to Your App

- 1) Tap on the cover image of an **Available** book you'd like to checkout to go to its page. Here you will find more information about the book.
- 2) Find the **brown Borrow** button, then tap on the  icon to select your loan period from the drop-down menu. You have the option of borrowing books for up to 21 days.
- 3) Tap **Borrow** to checkout the eBook or eAudiobook and add it to your account.
- 4) Tap the **brown Add to App** button to download the book to your device.

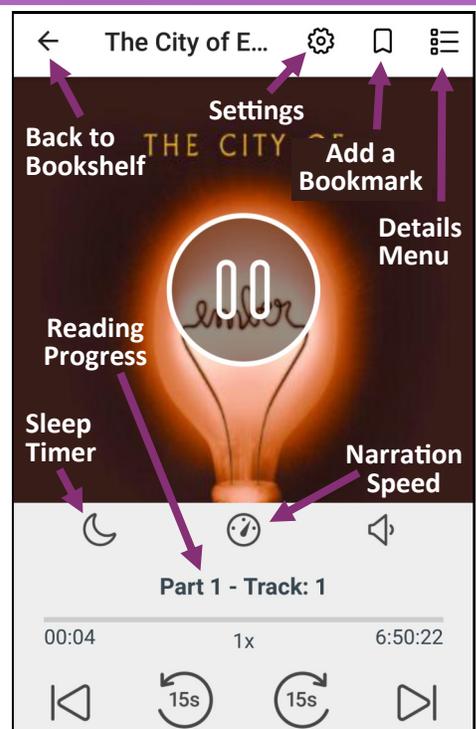

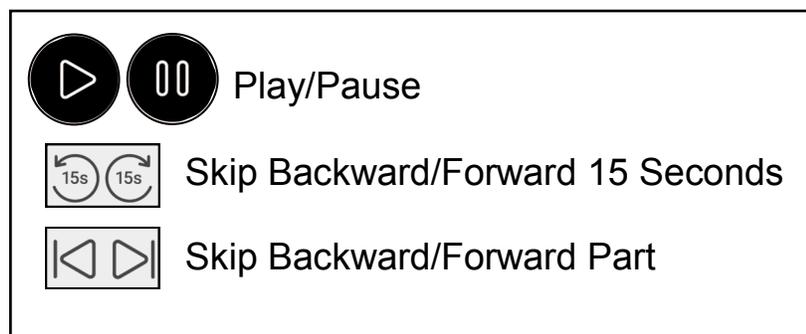

Reading eBooks in the App

- 1) Tap the  icon in the upper-left corner of your screen, then tap **Bookshelf**.
- 2) From your **Bookshelf**, tap on the title you would like to read.
- 3) Once your eBook has opened, tap the **right side** of your screen to go to the **next** page; tap the **left side** to go to the **previous** page.
- 4) Tap the **center** of your screen to access the **Reading Options** menu (right). Tap the **Details Menu** to view your **Bookmarks** and **Table of Contents** of your eBook.

Listening to eAudiobooks in the App

- 1) Tap the  icon in the upper-left corner of your screen, then tap **Bookshelf**.
- 2) From your **Bookshelf**, tap on the title you would like to read. Your eAudiobook will begin playing automatically. Tap the **Details Menu** to view your **Bookmarks** and **Table of Contents** of your book.

Placing Holds in OMNI

- 1) Tap the **brown Place a Hold** button.
- 2) A pop-up window will prompt you to enter your email address twice. This address is the one that will be used to contact you when your hold becomes available.
- 3) Tap **Place a Hold** to finish placing your hold.

Returning Early

- 1) From your **Bookshelf**, tap and hold the title you'd like to return. A short menu should appear.
- 2) Tap **Return to Library**. The title will be returned and deleted from your device.
